I appreciate your interest and concern but believe that our Family and Employee Liaison Office is in the best position to monitor spousal issues and to make recommendations for appropriate management action.

Best of luck to you in your job search this fall. I was sorry to hear FELO couldn't offer you the kind of position you were looking for.

Regards,

John N. McMahon

Bob,

Believe [redacted] was one of the people John suggested to you for FELO after a trip last year.

Would you let me know what you think of this idea so I can have a recommendation ready when John gets back next week.

Thanks,
